

# my euphoria

My Euphoria™ comfortably accommodates a crowd with seven generous seats. I can sink in with the extra deep therapy seat. Or catch the footwell therapy from the other three corner therapy seats. But the most unique location in the spa is not a seat at all – it's in front of the therapy pillar where I move to massage all the hard-to-reach areas such as my chest and arms. Total relief is pure Euphoria™.

## SEATING DESIGN

Super deep soak seat with therapy pillar and footwell therapy; cool down seat; deep therapy seat with neck jets; multi-level seating.

## TRI-ZONE HYDROTHERAPY™ SYSTEM

Tri-Zone Hydrotherapy™ delivers three levels of relief to my body in a single spa! Overall body setting provides jetting from neck to foot. Lower body setting jets work my thighs, calves and feet. Upper body setting deliver therapy to the areas most in need – my neck, shoulders and whole back.

## COMFORT CONTROL SYSTEM

The waterproof Comfort Control panel features temperature, light, settings control and convenient soak timer. Maintenance reminders are displayed on the LCD readout to indicate when it's time to clean the filters or change the water. Settings lock keeps my temperature, filtration and heat settings safe, secure and tamper-proof.
