

my mirage

My Mirage™ is uniquely distinct from the average spa – just admire its seductive curves. The body-form lounge is higher than most to allow me to catch some fresh air while I soak. The deep therapy seat accesses the footwell jets while neck jets simultaneously soothe my aching shoulders. Plus, I can choose from a couple other positions in which to relax my body and mind. It's not a dream, it's my Mirage™.

SEATING DESIGN

Full-body lounge; deep therapy seat with footwell therapy and neck jets; cool down bench. Unique shape allows it to fit in small spaces.

POWERSHIFT™ THERAPY SYSTEM

PowerShift™ Therapy allows me to literally shift from upper- mid- and lower-back jets and switch to footwell therapy jets without leaving my seat - I can focus massage on my muscle groups most in need of relief. I simply turn the jet selector to choose which area of the spa I want to activate - I can enjoy invigorating jet action while my spa partner can choose to soak in calm water.

COMFORT CONTROL SYSTEM

The waterproof Comfort Control panel features temperature, light, settings control and convenient soak timer. Maintenance reminders are displayed on the LCD readout to indicate when it's time to clean the filters or change the water. Settings lock keeps my temperature, filtration and heat settings safe, secure and tamper-proof.
