

my spirit

My Spirit™ relaxes my mind and rejuvenates my body. It generously accommodates two people in comfort. The full body lounge pays extra attention to my shoulders, back and thighs, and even reaches down to my feet. The deep therapy seat works on the tight muscles in my neck, and footwell jets attend to my weary feet. Plus, there's a cool-down seat to get me out of hot water. The super convenient 120V plug-and-play system helps to enhance my carefree experience.

I renew my Spirit™ every day.

SEATING DESIGN

Full-body lounge; deep therapy seat with footwell therapy and neck jets; cool down seat

POWERSHIFT™ THERAPY SYSTEM

PowerShift™ Therapy allows me to literally shift from upper- mid- and lower-back jets and switch to footwell therapy jets without leaving my seat - I can focus massage on my muscle groups most in need of relief. I simply turn the jet selector to choose which area of the spa I want to activate - I can enjoy invigorating jet action while my spa partner can choose to soak in calm water.

COMFORT CONTROL SYSTEM

The waterproof Comfort Control panel features temperature, light, settings control and convenient soak timer. Maintenance reminders are displayed on the LCD readout to indicate when it's time to clean the filters or change the water. Settings lock keeps my temperature, filtration and heat settings safe, secure and tamper-proof.
