∴ Simbio™

VOGUE 

World-renowned innovative aboveground pools

∴ be a kid all over again

Spend the whole day outside by the pool
throwing the frisbee around
taking an ice cream break
looking for shapes in the clouds
going for a refreshing dip in the pool
blowing soap bubbles with the kids...

When it is hot outside, nothing beats
wading in the cool waters of a Zodiac
outdoor pool !

∴ quality is family business

Vogue has always been a symbol of quality pool products. In keeping with these high standards, Vogue has teamed up with Zodiac, a world leader in outdoor and recreational products. Now it is your turn to take part in the fun this great family has to offer !

∴ **Zodiac, mastering the elements.**

Renowned worldwide for the quality and reliability of its products in the aeronautical and marine sectors, Zodiac has now brought its expertise to swimming pools to bring you a full range of pools, automatic pool cleaners, water treatment systems, pool heating systems and dehumidifying systems for indoor pools. Backed by Vogue technology, expertise and experience, Zodiac brings you the reassurance of top quality equipment in terms of both design and performance. A real guarantee of efficiency and peace of mind !

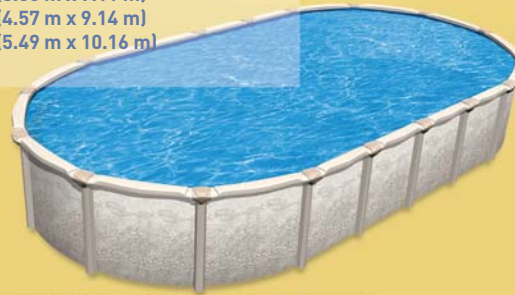

∴ Simbio™

By combining the strength of steel and the aesthetics of injection molded resin, Simbio gives you the best of both worlds. Thanks to advanced engineering, superior materials and renowned durability, aboveground pools reach new heights with Simbio.

Ellipse wall ∴ ∴ y.e.s

Wall height: 52" (1.32 m)

The wall is available in shades of clay for all models and sizes. It is protected by a resin based paint called Resin Shield which provides an extra layer of resistance against corrosion.

Yard Extender System

Our oval pools come with the Yard Extender System, a series of practically invisible lateral supports that you place in the ground. It is a must for anyone who wants to make the most of their yard – and their pool !

∴ durability never looked so good !

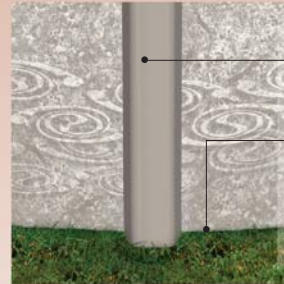

Injection molded resin and super sturdy steel are the key to this pool's incredible endurance. Simbio's high impact resin is extremely resilient and 100% non-corrosive, so it will not chip or discolor. In addition, steel provides unparalleled strength and durability. With this advanced technology, Simbio is sure to stand the test of time... and to keep looking great !

The purchase of an aboveground pool provides years of pleasure and fun, but it also involves water safety. Although Zodiac cannot supply a full-time lifeguard, we strongly recommend that you implement the following safety rules. These will help provide a pleasant atmosphere for you and your family.

- NEVER jump or dive in an aboveground pool.
- Maintain constant adult supervision when children are in or near any body of water.
- Read all of the safety, installation and maintenance information contained in the Zodiac instruction manual and water safety brochure before you start installing your pool.
- Ask your city about any specific rules and regulations that apply to aboveground pools.
- Follow the Zodiac instruction manual and maintenance instructions.
- Never remove applied or posted safety stickers or signs from your pool or pool area.
- Barriers to prevent unsupervised access, especially by young children, should be built, installed and checked on a regular basis to ensure they are in good working order.

- Inspect your Zodiac pool, barriers, alarms, and other related equipment on a regular basis in order to ensure they are in good working order and that they are safe.

Zodiac installation, maintenance and safety manuals contain detailed tips and recommendations. They must be read, followed and applied on a regular basis, as they will prevent unnecessary accidents and will ensure many summers of pleasant and safe family fun.
